

Spa Manicure and Shellac from Rocky Mountain Academy of Hair, Skin & Nails

\$26 Value

A manicure is a cosmetic beauty treatment for the fingernails and hands, consisting of filing, shaping of the free edge, pushing and clipping any nonliving tissue from the nail plate, treatments, massage of the hand and the application of polish – in this case...Shellac. Shellac is the brand name for a new, patent pending nail product. It's a mix of traditional nail polish and UV gel polish and is thin enough to be applied like regular nail polish.
